

Postponed works: Notice of utility survey works at M6 J15, Hanchurch Interchange and A500

March 2023 | www.hs2.org.uk

High Speed Two (HS2) is the new high speed railway for Britain. Working on behalf of HS2 Ltd, Balfour Beatty is carrying out surveys along the Phase 2a route.

What we are doing

HS2 Ltd is proposing to make changes to the M6 Hanchurch Interchange at Junction 15, Newcastle Road, Clayton Road and the junction of Newcastle, Trentham and Whitmore Road, to improve the traffic flows during the construction of HS2.

During March we had proposed to undertake some utility surveys but due to unforeseen delays this work has now been postponed.

When the work will take place

Once we have further information with the new dates, we will let you know through an updated Advance Works Notice.

We apologise for any inconvenience this may have caused.

If you have a question about HS2 or our works, please contact our HS2 Helpdesk team on 08081 434 434 or email hs2enquiries@hs2.org.uk
